## Post Office

We all enjoy receiving mail. Men and women work for the **post office**. They sort the mail and bring it to our homes.

Some ride bicycles to deliver the mail. Others ride in mail trucks or jeeps. Many walk from house to house.

How is the mail delivered to your house? \_\_\_\_\_

## Hospitals

Many communities have **hospitals**. Small communities may not have hospitals. Doctors, nurses, and many other people work in the hospitals.

Does your community have a hospital?  yes  no

Sometimes when you are not feeling well or when you hurt yourself you must go to a hospital to get better. The people in the hospital help you to feel better.

**Doctors** work in offices and hospitals. Doctors try to help you when you are hurt or sick. There are men doctors and women doctors.

**Nurses** go to school to learn many things about helping others. They work with doctors. Some nurses work in hospitals, clinics and many other areas.

Some nurses ride in an ambulance to help people who have been in accidents. Other nurses go to homes to help people who are too sick to leave their homes. Nurses are good and important people to the community. Both women and men are nurses.

## Libraries

Libraries lend books to children and grown-ups. The people who work in the libraries are called **librarians**. There are computers in libraries to help you find the books you are looking for.

People cannot afford to buy all the books they would like to read. They go to the library to borrow books, tapes, DVDs, videos and films.

**Remember one special rule in the library is to be quiet, polite and to share.**

## Playgrounds and Parks

Playgrounds and parks are fun places in the community. They are put there for all people to enjoy.

Many parks have swings, see-saws, merry-go-rounds, and slides. There are places to play soccer, baseball, basketball, softball, skateboarding areas and many others.

**Keep your parks clean and share the equipment with other children. Be kind.**

Write a little about a playground or a park in your community.
