Easter is a spring holiday. It is a very important Christian holiday. The holiday of Easter is one of the oldest holidays. It is the celebration of the resurrection of Jesus Christ. Easter Sunday falls on the first Sunday after the first full moon after March 21. It is the first full moon of spring.

Most people who celebrate Easter in the Western part of the world celebrate it sometime between the beginning of spring and the end of April.

A period before Easter is called Lent. This is a time when people prepare in a special way for the celebration of Easter. Lent begins on Ash Wednesday.

**Easter does not fall on the same date each year.**

Easter can be a fun time. Children love to go on Easter Egg Hunts. Many families hide eggs in their homes and yards. The children have to find them. They get to keep the eggs and candy they find. Many communities have children come to parks and playgrounds to look for Easter eggs and other treats.

Another fun activity is the Easter Egg Roll. This is a game to see who can roll an egg the longest distance without breaking it. The most famous Easter Egg Roll takes place on the lawn of the White House in Washington, D.C. The grass at the White House is nice and green. It is a little hilly and sloped. This helps the eggs to roll faster, farther and safer.

Many children and their parents wear new clothes on Easter Sunday. They go to church. Some people join in the Easter parade in their city.

Special and wonderful dinners are served on Easter Sunday. Many desserts are in the shape of a lamb. Favorite Easter treats include: chocolate, jellybeans, cakes with coconut on top, marshmallow rabbits, and many, many more.

Don't forget the less fortunate on Easter. Maybe there is some child or family that you can help have a happier Easter. Ask your parents if there is someone you could help. It could be a child, a family or an elderly person.

Write about something you could do to help someone enjoy Easter.
