Thanksgiving

Thanksgiving

The Mayflower landed on Cape Cod in what is now Massachusetts. They named the place where they landed Plymouth. It was named after the city they had sailed from in England.

A big stone on which they stepped ashore from their boat is now a special monument called Plymouth Rock.

The women and children stayed on the ships while the men put up a large building.

The large building served as a church, community meeting center, and hospital.

Next, the Pilgrims built a hut for each family. Food was scarce. The Pilgrims were happy for the clams and fish from the sea.

Find a picture of the Mayflower on the Internet or in a book. Draw it here.

Sample

Thanksgiving

Thanksgiving becomes an official holiday in the United States.

President Lincoln made Thanksgiving an official, national holiday in 1863.
Thanksgiving is celebrated on the fourth Thursday in November.

The people in Canada celebrate Thanksgiving on the second Monday in October.

Today we still give thanks for all the good things we have. Families and friends get together and fix a very special meal for Thanksgiving dinner.

Many people have a big turkey. It reminds them of the wild turkeys the Pilgrims and Indians ate on the First Thanksgiving.

This year when you celebrate Thanksgiving, take time to think about all the good things you have.

List some things you are thankful for.
